LDV Capital Management is a Registered Investment Advisory firm licensed with the state of Florida, specializing in Financial Advisory, Mergers & Acquisitions, Fairness Opinions, Capital Formation, Corporate Restructuring and Financial Statement Analysis for Publicly Traded Companies Preparing for Audit. Its President/Founder, James DePelisi, is also the President of the 45 year old Stock and Bond Club of South Florida, one of the largest and most established investment advisory associations in Florida.

Mr. DePelisi stated, "We definitely had a busy three months, led by presentations from five relevant New York Stock Exchange (NYSE) listed companies, and a cadre of several small cap companies." For more than 10 years, both LDV Capital Management and the Stock and Bond Club of South Florida have hosted more than 170 companies, in similar due diligence dinner forums. DePelisi remarked, "It was impressive to see the degree of information and industry insight rendered by the 14 presenting companies during the 2011 first quarter; and also at how well the companies were received by the 790+ investment professionals in attendance."

Heading into the second quarter of 2011, DePelisi hopes that the overall markets will continue to develop and take shape. "Our phone is certainly ringing more, as of late; but we make it clear to companies wishing to present...that we uphold a certain set of standards and criteria for seeking presenting companies...and it is these standards and criteria which makes our assembly so preferred," says DePelisi.
