## **Spring Break for Wall Street**

FORT LAUDERDALE, FL--(Marketwire - February 15, 2008) - Hundreds of attendees are expected to gather for The Growth & Value Investor Conference, a free, two-day event beginning February 27 at the Westin Fort Lauderdale.

More than 30 outstanding U.S. and Canadian publicly traded companies from 13 industries and six different stock exchanges will offer a rare, inside look into the core of their strategies, strength of management and the potential for profit.

"I'm excited to have so many wonderful companies exhibiting at the event, especially during this bear market," said financial advisor, James DePelisi, who is sponsoring the event.

At each session, attendees will hear informative presentations from each company's Chief Executive Officer and senior executive management, followed by question and answer sessions. Further, one-on-one opportunities are available with the CEOs and executives.

Dan Laikin, CEO of National Lampoon (AMEX: **NLN**), commented, "We are pleased to have the opportunity to present the National Lampoon story to investors attending the 2008 Growth & Value Conference hosted by LDV Capital Management in Ft. Lauderdale, FL. We are delighted to update investors on the great strides we have made in our overall business strategy." Mr. Laikin continued, "We feel our recent acquisitions, exciting line up of first run comedy hits and low risk business model, make for a compelling investment opportunity investors will want to hear."

"Today's stock markets offer true investment opportunities for equity investors -- particularly in the growth and value sectors," said DePelisi. "The Growth & Value Investor Conference has carefully designated a cross-section of specific firms representing these sectors. One company, who recently showed a 20% growth rate in customer billings for the second quarter of Fiscal Year 2008, is Sharps Compliance Corp. (OTCBB: **SCOM**). The Company's flagship product, the Sharps Disposal by Mail System®, is a cost-effective and easy-to-use solution to dispose of medical waste such as hypodermic needles, lancets and any other medical device or objects used to puncture or lacerate the skin (referred to as "sharps")."

Attendance is free, and no RSVP is required.

A complimentary cocktail reception will be held from 4:00 p.m. - 5:00 p.m. Corporate presentations will run from 5:00 p.m. - 9:00 p.m.
