## **More Than 1,000 Attend the Growth & Value Investor Conference in Fort Lauderdale**

FORT LAUDERDALE, FL--(Marketwire - March 4, 2008) - The inaugural 2008 Growth and Value -- Spring Break for Wall Street -- Investor Conference concluded February 28 after a successful two-day run at the Westin Fort Lauderdale Hotel.

More than 1,000 accredited investors, financial advisors, stock brokers and interested observers enjoyed complimentary food and beverages, raffle giveaways and a rare opportunity to see and learn about 33 of the finest growth and value companies listed in the public markets.

At each session, attendees heard informative presentations from each company's Chief Executive Officer and senior executive management, followed by question and answer sessions. Further, one-on-one opportunities were conducted with the CEOs and executives.

"It's obvious from the turnout we had, we'll be doing this again," said investment advisor Jim DePelisi, who sponsored the event. "This was our first time out of the gate. But from the positive feedback we had from attendees and presenters alike, we can qualify it as a resounding success."

"Your efforts [on a successful meeting] were clearly visible, and the comments I heard were positive," said one of the presenters listed on the NASDAQ Exchange.

Some other comments overheard at the conference:

- "When are you having another conference? This is great. I cannot wait!"
- "Very informative."
- "Very impressive."
- "This ran very smoothly."
- "Everyone was very friendly, compared to most conferences. That made everyone very approachable."
