LDV Capital Management Presents another Growth Value Investor Conference

FLORIDA, Sept. 22, 2009 /PRNewswire/ - The Sunshine on Wall Street Growth Value Conference is gearing up for its final evening, this Wednesday night, September 23rd from 4:00 p.m. - 9:00 p.m. at the Boca Raton Embassy Suites.

The Sunshine on Wall Street Conference kicked things off last Thursday night, at Palm Aire Country Club in Pompano Beach, with close to 100 people attending a private dinner meeting featuring corporate presentations from four publicly traded companies:

Dynamic Response Group, Inc. a marketing company, developer and distributor of personal development, wellness and entertainment consumer goods and services through print catalogs, radio, direct mail, direct response television programming and the Internet.

ONE Holdings, Corp. an investment company owning majority equity interest in core operating assets in biotechnology utilizing green processes located in the Asia Pacific region.

Royal Mines And Minerals Corp. a minerals exploration company focused on 1) generating ongoing revenues from the licensing of its proprietary, environmentally-friendly lixiviation process, 2) commercially extracting and refining precious and base metals from its mining assets, and 3) acquiring and developing projects in North America.

SunSi Energies Inc. a potential acquirer and developer of high quality Trichlorosilane (TCS) producing facilities that are strategically located and possess a potential for future growth and expansion. Trichlorosilane is the main feedstock of the solar industry, used in the production of polysilicon.

James DePelisi, President/Founder of LDV Capital Management, stated: "It was an exciting evening for both the presenters and attendees alike. Whenever you gather a prestigious group like this together, new thoughts and ideas are always developed".

The Sunshine on Wall Street Growth and Value Conference week continues this Wednesday evening, September 23rd, 2009, at 4:00 p.m., at the Embassy Suites Hotel in Boca Raton (661 NW 53rd Street, Boca Raton, Florida 33334; Tel: 561-994-8200).

Six publicly traded companies will be making two, 30 minute presentations, during different times in the evening:

Computer Task Group Inc., has over 40 years experience providing IT solutions and services to help clients use technology as a competitive advantage to excel in their markets. CTG's clients range from small and mid-sized companies to many of the world's largest multinational corporations.

Global Med Technologies Inc., is an international healthcare information technology company which develops products and services for the healthcare industry. Global Med's products are deployed in 20 countries and serve over 2,100 transfusion centers, blood banks and laboratory sites.

International Monetary Sys Ltd., serves 17,000 businesses representing 23,000 cardholders in 50 North American markets. The company's software enables businesses and individuals to trade goods and services online using an electronic currency known as trade dollars.

Medical Nutrition USA Inc., develops and distributes products for the nutritionally at risk who are under medical supervision. Its products are used primarily in long-term care facilities, hospitals, dialysis clinics and bariatric clinics. Its CEO, Frank Newman, was the former Chairman of Eckerd Corporation.

Provectus Pharmaceutical Inc., specializes in developing oncology and dermatology therapies. Its novel oncology drugs are designed to selectively target and destroy cancer cells without harming surrounding healthy tissue. Its oncology focus is on melanoma, breast cancer and liver metastases.

US Gold Corporation, is an exploration company with a strong treasury, no debt and significant land holdings in Nevada next to Barrick Gold's large Cortez Hills deposit, along with a high grade silver/gold discovery in northwestern Mexico.

Based upon attendance of over several hundred people at past Growth and Value Investor Conferences, Mr. DePelisi went on to say: "We anticipate another great projected turnout for Wednesday night. Many people seem to feel that the markets are loosening up and establishing traction. The Growth and Value Conferences always seem to provide great brand awareness and networking for everyone involved".
